Please share the briefing materials when they are available. The RA and DRA are interested in seeing them ahead of the June 3 brief.

Hi David,

It looks like the OAR briefing on the Texas CSAPR Still Better Than BART Petition for Reconsideration Denial has been set for June 3. Ken and David do not need a pre-brief at this time, but would you please make sure that the R6 front office receives any relevant briefing materials in advance of the June 3 briefing with Anne?

Thanks so much,

Erin
